

3-pc. Impact Reducer Set

PRODUCTS > SOCKETS AND RATCHETS > SOCKETS - IMPACT ACCESSORIES

Be ready for anything with the TEKTON 3-pc. Impact Reducer Set. These tools adapt to the situation on the fly to get it done. They create replacements for lost or broken sockets, expand incomplete socket sets, and increase options for a limited selection of impact tool sizes. Made of the highest quality chrome vanadium steel, each piece undergoes a precise heat treating process, hardening and strengthening it for use with impact wrenches and drivers.

Specifications:

- Designed for impact use
- Made from high-strength, heat-treated chrome vanadium steel
- Corrosion-resistant black oxide finish
- Locks onto socket and drive tang
